Ref: G.O.Ms.No.2124.dated 31.10.1951.

In G.O.cited above sanction was accorded for the employment of the coastal patrol staff consisting of 16 Police constables and 16 Revenue peons with effect from 1.11.51 to 31.3.52 for preventing smuggling of foodgrains. Of these 8 Police constables and 8 Revenue peons have been posted to prevent smuggling into Kasaragod taluk. Last year the coastal patrol staff was disbanded on the afternoon of 31.5.51 during monsoon season and was re-entertained only from November 1951. The ban on the movement of foodgrains into Kasaragod taluk is still in force. Harvesting season having come to a close scarcity of foodgrains is felt in the agricultural villages of this taluk and for such there is every chance of rice being smuggled into Kasaragod from these two adjacent States. Even in attempt at smuggling foodgrains on a large scale by well organised smuggling gangs into Kasaragod taluk the anti-smuggling staff at Kasaragod and Mogral may detect a good number of cases. It is, therefore, necessary that these should be effective only during the ensuing season.

2. The following chowkies are quite essential to check smuggling of foodgrains into Kasargod Taluk.

1. Thekkil
2. Saradka
3. Kottayadi.
4. Bayar.

I, therefore, recommend that the Government may be addressed to sanction the retention of 8 Revenue peons and 8 Police constables for the 4 chowkies mentioned above till 30.9.52 and to disband the remaining 7 Revenue peons, and 7 Police constables from the afternoon of 31.5.52.

3. The Special Revenue Inspector is supervising the work of chowkidars and coastal patrol staff by paying surprise visits at frequent intervals. Proposals have been submitted in this office R.f.C.No.771.51 dated 15.3.52 to sanction the retention of the Special Revenue Inspector and his peon till 30.9.52.
